Re: Request for Review of GCI Communication Corp. of Decision by Universal Service Administrator; Request for Review by Yukon-Kuskokwim Health Corporation of Decision of Universal Services Administrator, WC Docket 02-60.

Dear Ms. Dortch:

The two above-captioned Requests for Review, one by Yukon-Kuskokwim Health Corporation ("YKHC") and one by GCI Communication Corp. ("GCI") concern the same denial of funding by USAC. For this reason, each Request, and the record with respect to each, is relevant to the other Request. Indeed, the two comments filed in response to YKHC's Request support the same relief sought by GCI in its Request. Accordingly, GCI respectfully requests that the Commission consider the entire record with respect to YKHC's Request as part of the record with respect to GCI's Request, and likewise requests that the Commission consider the entire record with respect to GCI's Request as part of the Record with respect to YKHC's request.
