RE: Completion of Self Transition for Waltonville Community Unit #1 WLX711
Transition of the 2500-2690 MHz Band for BRS and EBS
Transition Area: BTA Number 308: Mount Vernon-Centralia, IL

Dear Ms. Dortch:

Waltonville Community Unit #1 ("Waltonville") hereby notifies the Commission that they had previously filed a notice of self-transition with the Commission on March 16, 2009 for WLX711 in Basic Trading Area ("BTA") Number 308, Mount Vernon-Centralia, IL. Sprint completed the transition for BTA308 pursuant to the notice Sprint filed with the Commission on October 17, 2007 but WLX711 was not included in the transition due to the status of the license at that time. Waltonville hereby notifies the Commission that its license has been transitioned and is hereby simultaneously filing the necessary modification application with the Commission to complete the transition.

If you have any questions regarding this matter please contact Todd Lawyer at (703) 860-1904.

Sincerely,

Tim Kreinberg^e
