Re: *Framework for Broadband Internet Service*, GN Docket No. 10-127

Dear Ms. Dortch:

On October 13, 2010, James W. Cicconi, Senior Executive Vice President External & Legislative Affairs, AT&T Inc., spoke by telephone with Edward P. Lazarus, Chief of Staff to Chairman Genachowski, regarding the above-referenced proceeding. Mr. Cicconi urged the Commission to explore alternative approaches to reclassification of broadband Internet access that would better enable the Commission to pursue the goals of the National Broadband Plan. All of Mr. Cicconi's statements were consistent with AT&T's prior submissions in this docket.¹

If you have any questions or need additional information, please do not hesitate to contact me. Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission.

Sincerely,

/s/
Jack Zinman

cc: Edward P. Lazarus
