**Re: Appeal of USAC Decision On Appeal of Notification of Commitment Adjustment in
CC Docket No. 02-6**

Applicant Name:	Johnston County School District
Billed Entity Number:	126867
Funding Year	2006
Form 471 App. Number:	537593
Funding Request Numbers:	1488717

Dear Ms. Dortch:

Johnston County School District of Johnston County, North Carolina (“Johnston County” or “District”), acting through counsel and pursuant to Sections 54.719-54.721 of the Commission’s rules¹, hereby timely files this Request for Review or Waiver (“Appeal”). The Appeal requests Commission review of the adverse decision of the Administrator of the Universal Service Administrative Company (“USAC”) denying the funding request enumerated above for Funding Year 2006 and seeking recovery of previously disbursed E-Rate Program support funds.²

More specifically, on September 16, 2010, USAC’s Schools and Libraries Division (“SLD”) issued a decision denying an appeal filed by Johnston County with USAC. In its decision on appeal USAC held that its previously-issued determination to recover or rescind the funds³ was justified based on audit findings that the District (a) failed to comply with FCC rules regarding compliance with local and state procurement laws and (b) failed to properly determine its discount eligibility based on the percentage of the student enrollment that is eligible for a free or reduced price lunch under the national school lunch program or a federally-approved alternative mechanism. See Exhibit 1.

¹ 47 C.F.R. §§ 54.719-54.721.

² Administrator’s Decision on Appeal - Funding Year 2006 – 2007, Johnston County School District (September 16, 2010), attached as Exhibit 1.

³ Notification of Commitment Adjustment Letter, June 22, 2010 (“COMAD”).

Ms. Marlene H. Dortch

Johnston County is aggrieved by USAC's September 16, 2010 decision and submits that for various reasons outlined in its original August 21, 2010 appeal to USAC and others that the decision is unjustified and in error. The District submitted substantive evidence that Board of Education approval of its technology plan provided the necessary authority for persons carrying out the tasks in that plan. Furthermore, the decision regarding the District's determination of the applicable discount rate is unwarranted and unjustified under the rules, policies and requirements governing the use of surveys in place at the time that the calculations were made.

Johnston County is filing this Appeal well prior to the 60-day appeal period prescribed by the Commission's rules because USAC, on September 17, 2010, issued a Demand Payment Letter, requiring payment of the amount sought to be recovered, with such payment due in 30 days (e.g., by October 17, 2010), even though the period for filing an FCC appeal will not expire until mid-November.⁴ In the past USAC staff has informed the undersigned counsel that the only way to forestall the further implementation of USAC's collection process, even though the FCC appeal period had not yet expired, was to file an appeal with the Commission.

Johnston County will supplement this Appeal with a full discussion of the facts, the District's position and supporting arguments.

Respectfully submitted,

JOHNSTON COUNTY SCHOOL DISTRICT

Re: Applicant Name: JOHNSTON COUNTY SCHOOL DIST
Billed Entity Number: 126867
Form 471 Application Number: 537593
Funding Request Number(s): 1488717
Your Correspondence Dated: August 21, 2010

After thorough review and investigation of all relevant facts, the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has made its decision in regard to your appeal of USAC's Funding Year 2006 Commitment Adjustment Letter for the Application Number indicated above. This letter explains the basis of USAC's decision. The date of this letter begins the 60 day time period for appealing this decision to the Federal Communications Commission (FCC). If your Letter of Appeal included more than one Application Number, please note that you will receive a separate letter for each application.

Funding Request Number(s): 1488717
Decision on Appeal: **Denied**
Explanation:

- According to our records, USAC has determined that the Johnston County School District is in violation of FCC rules regarding complying with local and state procurement laws which violated the competitive bidding process. The record shows that during the course of an audit, it was found that the District specifically did not comply with local procurement guidelines in purchasing Telecommunications and Basic Maintenance of Internal Connections in that the District officials who signed the service provider contract did not have evidence of proper authorization, Board of Education approval, to purchase the goods and services that were greater than \$90,000.00 in total. As was conveyed in SL2008BE336_05 in Condition, the Board of Education purchasing policies

require that "all system-level contracts made on behalf of the board of education involving expenditures exceeding ninety thousand dollars (\$90,000.00) must receive prior approval from the board".

USAC's review of your Form 471 application also determined that your discount eligibility should have been 61%. While you state in your appeal letter of August 21, 2010 on page 7 that "Johnston County for the 2005-2006 school year distributed to each student at the beginning of the school year in August a form that could both be used to participate in a family income survey and/or to apply for the NSLP program", and again on page 9 that "As stated earlier, each school in the district sent to each student a combined E-Rate income survey/NSLP free & reduced lunch application along with a letter that made it perfectly clear that a student's family could apply for the NSLP free & reduced lunch program and not participate in the E-Rate income survey by so indicating, they could participate in the E-Rate income survey and not apply for NSLP free & reduced lunch by so indicating, or do both or neither." These statements do not overturn the condition of Finding No. SL2007BE110_F02 or the TCBA (Auditor) Evaluation of Response. In addition, as stated in the Commitment Adjustment Letter of June 8, 2010, FCC rules indicate that the level of poverty shall be measured by the percentage of the student enrollment that is eligible for a free or reduced price lunch under the national school lunch program or a federally-approved alternative mechanism. During an audit it was determined that the applicant is only eligible to receive a 61 percent discount. This determination was based on a misapplication by the applicant in using the alternative mechanism "survey method" for determining poverty levels. Since you did not demonstrate in your appeal that the initial findings were incorrect, USAC denies your appeal.

FCC Rules provide that the discount available to an applicant is determined by indicators of poverty and high cost. 47 C.F.R. sec. 54.505(b). The level of poverty is measured by the percentage of students enrolled in a school or school district that are eligible for a free or reduced price lunch under the National School Lunch Program, or a federally-approved alternative mechanism. Alternatively, the level of poverty is measured according to participation in Medicaid, Food Stamps, Supplementary Security Income (SSI), Federal Public Housing Assistance or Section 8, or Low Income Home Energy Assistance Program (LIHEAP). See Federal-State Joint Board on Universal Service, CC Docket No. 96-45, Report and Order, 12 FCC Rcd 8776, 9045, FCC 97-157 para. 510 n.1334 (rel. May 8, 1997). The high cost determination is made pursuant to FCC Rules that classify a school or library as rural or urban. 47 C.F.R. sec. 54.505(b)(3). An applicant's discount rate is determined by reference to a matrix based upon the level of poverty and whether the entity is classified as rural or urban. 47 C.F.R. sec. 54.505(c)

If your appeal has been approved, but funding has been reduced or denied, you may appeal these decisions to either USAC or the FCC. For appeals that have been denied in full, partially approved, dismissed, or canceled, you may file an appeal with the FCC. You should refer to CC Docket No. 02-6 on the first page of your appeal to the FCC.

Your appeal must be received or postmarked within 60 days of the date on this letter. Failure to meet this requirement will result in automatic dismissal of your appeal. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD section of the USAC website or by contacting the Client Service Bureau. We strongly recommend that you use the electronic filing options.

We thank you for your continued support, patience and cooperation during the appeal process.

You were previously sent a Notification of Commitment Adjustment Letter informing you of the need to recover funds for the Funding Request Number(s) (FRNs) listed on the Funding Commitment Adjustment Report (Report) attached to the Notification of Commitment Adjustment Letter. A copy of that Report is attached to this letter.

The balance of this debt is due within 30 days from the date of this letter. Failure to pay the debt within 30 days from the date of this letter could result in interest, late payment fees, administrative charges, and implementation of the "Red Light Rule." The FCC's Red Light Rule requires USAC to dismiss pending FCC Form 471 applications if the entity responsible for paying the outstanding debt has not paid the debt, or otherwise made satisfactory arrangements to pay the debt within 30 days of the notice provided by USAC. For more information on the Red Light Rule, please see "Red Light Frequently Asked Questions (FAQs)" posted on the FCC website at http://www.fcc.gov/debt_collection/faq.html.

If the Universal Service Administrative Company (USAC) has determined that both the applicant and the service provider are responsible for a Program rule violation, then, pursuant to the Order on Reconsideration and Fourth Report and Order (FCC 04-181), USAC will seek recovery of the improperly disbursed amount from BOTH parties and will continue to seek recovery until either or both parties have fully paid the debt. If USAC has determined that both the applicant and the service provider are responsible for a Program rule violation, this was indicated in the Funding Commitment Adjustment Explanation on the Funding Commitment Adjustment Report.

If USAC is attempting to collect all or part of the debt from both the applicant and the service provider, then you should work with your service provider to determine who will be repaying the debt to avoid duplicate payment. Please note, however, that the debt is the responsibility of both the applicant and service provider. Therefore, you are responsible for ensuring that the debt is paid in a timely manner.

Please remit payment for the full "Funds to be Recovered from Applicant" amount shown in the Report. To ensure that your payment is properly credited, please include a copy of the Report with your check. Make your check payable to the Universal Service Administrative Company (USAC).

Funding Commitment Adjustment Explanation:

After a thorough investigation, it has been determined that this funding commitment must be rescinded in full. On your FY 2006 FCC Form 470 you certified that you reviewed and complied with all FCC, state and local procurement/competitive bidding requirements. During an audit it was determined that you failed to comply with all FCC, state and local procurement/competitive bidding requirements. You did not follow the Board of Educations purchasing policies. It requires that all system-level contracts made on behalf of the board of education involving expenditures exceeding ninety thousand dollars (\$90,000.00) must receive prior approval from the board. The pre-discount amount for this FRN is \$490,594.00. This exceeds the \$90,000.00 approval threshold. There was no evidence of proper authorization, i.e. the Board of education approval. The FCC rules require that the applicant submits a bona fide request for services by conducting internal assessments of the components necessary to use effectively the discounted services they order, submitting a complete description of services they seek so that it may be posted for competing providers to evaluate and certify to certain criteria under penalty of perjury. Since you failed to comply with local and state procurement laws you violated the competitive bidding process. Accordingly, your funding commitment will be rescinded in full and USAC will seek recovery of any disbursed funds from the applicant.

It was also determined that the funding commitment for this request must be reduced by \$14,717.82. On the original Form 471 the applicant was approved at a 64 percent discount. FCC rules indicate that the level of poverty shall be measured by the percentage of the student enrollment that is eligible for a free or reduced price lunch under the national school lunch program or a federally-approved alternative mechanism. During the audit it was determined that the applicant is only eligible to receive a 61 percent discount. This determination was based on a misapplication by the applicant of the rules for determining poverty levels. Accordingly, the commitment has been reduced by \$14,717.82 (pre-discount commitment amount*(discount percentage approved on the Form 471 less the discount rate the applicant is actually eligible to receive)) and if recovery is required, USAC will seek recovery from the applicant. Full recovery is being sought for the above violation.
