("WCI"), will transfer certain long distance customers to another Windstream subsidiary, Windstream Iowa Communications, Inc. ("Windstream Iowa"). WCI and Windstream Iowa are existing subsidiaries of Windstream and are transferring customers as a result of an internal operational restructuring. Pursuant to Section 64.1120(e), Windstream provides the following with respect to the transfer of customers from WCI to Windstream Iowa:

1. *Names of the Parties to the Transaction:*

Windstream. Windstream is a publicly-traded Delaware corporation headquartered in Little Rock, Arkansas and is the holding company owner of subsidiaries that offer a number of communications and entertainment services, including local exchange and toll service, to customers in more than twenty-three states.

WCI. WCI is a subsidiary of Windstream which offers long-distance and competitive local exchange services in several states, including, with respect to long-distance services, Iowa.

Windstream Iowa. Windstream Iowa is a subsidiary of Windstream and offers long-distance and incumbent local services in Iowa and Missouri. WCI desires to transfer a number of long-distance customers to Windstream Iowa due to an internal restructuring. The WCI customers previously were out-of-territory but are now located in affiliated territories, and the affiliates desire for the customers to be served by Windstream Iowa, which is the primary Windstream affiliate operating in the former out-of-territory Iowa area.

2. Types of Telecommunications Services Provided to Affected Customers:

The affected customers subscribe to WCI long-distance service.

3. Date of the Expected Transfer:

Affected WCI customers will be transferred to Windstream Iowa on or after December 6, 2010.

4. Certification of Compliance:

Windstream Iowa hereby certifies its compliance with: (i) the requirement to provide advance subscriber notice in accordance with Section 64.1120(e)(3) of the Commission's rules, 47 C.F.R. § 64.1120(e)(3); (ii) the obligations specified in that subscriber notice; and (iii) all other statutory and Commission requirements that apply to this notification process.

5. Customer Notification:

A copy of the customer notification, which was sent to affected WCI subscribers at least thirty days prior to the change in service date, is attached hereto.

If you have any questions regarding this notification, please contact the undersigned counsel.

Respectfully submitted,
