Re:

Appeal
School District: Houston County Board of Education, Dothan, AL
Funding Year: 2009
FRN Denied: 1786824
Form 471 Application Denied: 650947
Reason for Denial: Gifts

Dear Gina, Erica and Dana:

On November 3, 2010, Trillion filed a Master Appeal Summary with the FCC on ECFS, as well as provided the Master Appeal Summary to you via E-Mail and in hard copy. In the Master Appeal, Trillion provides the rationale as to why USAC's mass denial of funding is without merit. Please accept this Individual appeal for the Houston County Board of Education, along with the Master Appeal Summary, as well as the Appeal that will be filed by the applicant, as the appeal in its totality.

USAC alleges that Houston County Board of Education received valuable gifts which tainted a fair and open competitive bidding process as the basis for denial of funding. Trillion denies USAC's allegations. In fact and in all instances, the meals, gifts and gratuities that Trillion provided to the applicant were in full compliance with all applicable (FCC, state and local) competitive bidding and procurement requirements at the time. Please also note, in February of 2009, Trillion instituted a Code of Conduct for its employees that prohibits meals, gifts or gratuities of any kind and is stricter than the new rules put in place with the FCC Sixth Report and Order, FCC 10-175.

The amounts spent on meals or other routine business expenses were trivial and could not have possibly influenced a decision that would ultimately be made by the School Board. Furthermore, no member of the School Board or decision maker received any such expense. The fact is, Trillion invested \$299,206 million to date in order to construct Houston County Board of Education's network providing critical services with a total contract value of \$1,076,522, while the

amount of the routine business meals and expenses only amounted to \$6.58 on average per year across the entire school district.

In summary, this applicant's actions were in full compliance with FCC, state and local procurement guidelines in effect at the time, as described in the Master Appeal Summary. Therefore, the customer's actions did not, in any way whatsoever, improperly affect the competitive bidding process.

It would be a travesty if this application were to be denied based upon a retroactive application of the new rule defined in the FCC Sixth Report and Order. Trillion respectfully requests that this appeal be granted.

Sincerely,

Trillion Partners, Inc.
