RE: Notice of *Ex Parte* Presentation in GN Docket No. 09-191, WC Docket No. 07-52.

Dear Ms. Dortch:

This is to inform you that on Tuesday, November 9, 2010, the undersigned met with Zachary Katz, Deputy Chief, Office of Strategic Planning and Policy Analysis, Federal Communications Commission.

I discussed the Open Internet Coalition's ("OIC" or "Coalition") support for the Commission's timely and decisive action to adopt rules that protect an open and transparent Internet. In addition, we discussed the Coalition's support via its filings in the above-referenced dockets for the rules to apply across platforms. I noted that we pointed out in our filings that there appears to be a consensus among stakeholders for platform parity – *i.e.*, any rules that apply to wireline platforms also should apply to wireless platforms.

We also discussed the various elements of draft legislation developed by House Energy & Commerce Committee Chairman Henry Waxman.

Please let me know if you have any questions.

Regards,

Markham C. Erickson

Partner, Holch & Erickson LLP and  
Executive Director, Open Internet Coalition.
