**Re: Petition of AT&T, Inc. for Stop Payment Order on the U.S.-Tonga Route
IB Docket No. 09-10**

Dear Ms. Dortch:

Pursuant to paragraphs 45 and 60 of the International Bureau Order released on June 15, 2009 in the above-referenced proceeding (*see* Order and Request for Further Comment, IB Docket No. 09-10, rel. June 15, 2009, DA 09-1325), Verizon files this report concerning its circuits on the U.S.-Tonga route.

Verizon has engaged in communications with the Tonga Communications Corporation (“TCC”) regarding re-opening Verizon’s circuits in light of the June 8, 2010 announcement that the Tonga Ministry of Information and Communications will no longer be setting a regulatory minimum settlement rate or access charge for all inbound international telephone calls.

Please do not hesitate to contact me if you have any questions.

Respectfully submitted,

/s/ Jacquelynn Ruff
