Re: *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees*, MB Docket No. 10-56

Dear Ms. Dortch:

On November 12, 2010, Margaret Tobey, Vice President, Regulatory Affairs, NBC Universal, Inc.; Jordan Goldstein, Senior Director, Regulatory Affairs, Comcast Corporation; and the undersigned (collectively, "Applicants") met with Joshua Cinelli, Media Advisor to Commissioner Copps. We discussed the public interest benefits of the transaction and the commitments made by the Applicants as explained in our previously filed submissions in the above-referenced proceeding. We further discussed the agreements that Applicants have reached with third parties, which have been filed in this docket. Finally, we discussed key substantive and procedural issues and our responses as outlined in previously-filed summary charts (copies of which were provided to Mr. Cinelli). Our remarks were consistent with Applicants' written pleadings in this proceeding.

Kindly direct any questions regarding this matter to my attention.

Respectfully submitted,

James L. Casserly
