Re: Ex Parte Presentation in GN Docket No. 09-191 & WC Docket No. 07-52

Dear Ms. Dortch:

On November 29, 2010, Edward Lazarus met with the following representatives of The Walt Disney Company: Alan Braverman (Senior Executive Vice President, General Counsel and Secretary), Richard Bates (Senior Vice President, Government Relations), Susan Fox (Vice President, Government Relations), and Troy Dow (Vice President, Government Relations). During the conversation, Mr. Braverman briefly addressed a few of the points contained in the Comments and Reply Comments filed by the Motion Picture Association of American in these dockets. In particular, Mr. Braverman emphasized the need for content owners to have the ability to work with ISPs to combat online content theft and the need for any net neutrality rules to permit and encourage such efforts.

Pursuant to Section 1.1206 of the Commission's rules, an original and one copy of this letter are being filed as notice of this meeting. The proceedings at issue are not restricted and therefore presentations are permitted, but must be disclosed.

Sincerely,

Susan L. Fox
