Dear Ms. Dortch:

On Friday, December 3, 2010, David Redl, Director, Regulatory Affairs, CTIA – The Wireless Association® (“CTIA”) spoke with Richard Arsenault, Chief Counsel, Mobility Division, Wireless Telecommunications Bureau via telephone call. Consistent with past advocacy in the docket Mr. Redl discussed CTIA’s Petition for Reconsideration in this matter, specifically, concerns with the potential for retroactivity in the Commission’s Order conditionally granting licenses in the Wireless Radio Services during the pendency of the above-referenced rulemaking. Mr. Redl also discussed concerns with proposals for the new licensing paradigm described the companion NPRM consistent with CTIA’s comments in the proceeding.

Pursuant to Section 1.1206 of the Commission’s rules, a copy of this letter is being filed via ECFS with your office. Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

/s/ David J. Redl
