**Re: MB Docket No. 10-71, Petition for Rulemaking to Amend the
Commission's Rules Governing Retransmission Consent**

Dear Ms. Dortch:

As it continues to review of the issues in the above-captioned proceeding, the Commission should be aware of the broad base of parties that have expressed their interest in retransmission consent reform. Attached are a series of letters from various groups offering different perspectives on the current regime, all of which support the urgent need for reform of the Commission's existing retransmission consent regulations.

Please contact the undersigned if you have any questions. I can be reached at 202-333-8667.

Sincerely,

/s/ Mike Chappell
