

FCCNPRM-10-177

I was in favor of the original task force proposal for the April 1<sup>st</sup>. and July 1<sup>st</sup>. test pool dates. The revised proposal dates of March 1<sup>st</sup>. and September 1<sup>st</sup>. seem to be a better choice. I am now in favor of the new, September 1<sup>st</sup>. date as this date will better coincide with our school's class scheduling.
