**Re: Notice of Oral *Ex Parte* Communication in
Preserving the Open Internet, GN Docket No. 09-191
Broadband Industry Practices, WC Docket No. 07-52
Framework for Broadband Internet Service, GN Docket No. 10-127**

Dear Ms. Dortch:

Pursuant to section 1.1206(b) of the Commission's rules, this notice of *ex parte* communication is being submitted in the above referenced dockets.

On December 9, 2010, Alex Nogales, Jessica Gonzalez, and Michael Scurato of the National Hispanic Media Coalition met with Commissioner Clyburn and her Chief of Staff, Angela Kronenberg.

Mr. Nogales asked Commissioner Clyburn to consider reclassification as a means for the Commission to assert jurisdiction over broadband as a foundation for network neutrality rules, but also for universal service reform. Mr. Nogales also urged Commissioner Clyburn to oppose paid prioritization on wireline and wireless networks. Finally, Mr. Nogales stressed that any rules should apply equally to both wireless and wireline service due to the importance and prominence of wireless broadband in low income communities and communities of color.

In accordance with the Commission's rules, this *ex parte* notice is being filed electronically in the above referenced dockets. If you have any questions regarding this filing, please do not hesitate to contact me.

Respectfully submitted,
/s/
Jessica J. Gonzalez, Esq.
