Preserving the Open Internet, GN Docket No. 09-191;  
Framework for Broadband Internet Service; GN Docket No. 10-127

December 11, 2010

Dear Ms. Dortch:

On Friday, December 10, 2010, Rima K. Matsumoto called the Commission to speak to Commissioner Copps regarding issues related to the above-referenced proceedings. Commissioner Copps was unable to take the call so Ms. Matsumoto spoke with Margaret McCarthy in the Commissioner's office on behalf of the Leadership Education for Asian Pacifics, Inc. (LEAP).

During the conversation, Ms. Matsumoto emphasized that LEAP is pleased that the FCC is moving forward with a middle ground solution to net neutrality and that LEAP is supportive of Chairman Genachowski's draft Open Internet order. Ms. Matsumoto also urged Commissioner Copps to support the draft order so that the FCC could return its concentration on the National Broadband Plan and its important objective of making affordable broadband available to all Americans.

Sincerely,

Rima K. Matsumoto
