Re: GN Docket No. 09-191, *Preserving the Open Internet*, and WC Docket No. 07-52, *Broadband Industry Practices, Ex Parte Meeting*

Dear Ms. Dortch:

Today the Computer & Communications Industry Association (“CCIA”), represented by Catherine R. Sloan, Vice President of Government Relations and its undersigned counsel, met with Angela Kronenberg, Legal Advisor to Commissioner Mignon Clyburn, to discuss matters related to the above-named proceedings.

Specifically, the parties discussed the following topics: (1) the definition of “Broadband Internet Access” as set forth in the Notice of Proposed Rulemaking in these proceedings; (2) the application of the forthcoming rules to wireless-based services; (3) the potential exemption of “specialized services” or “managed services” from the rules; and (4) prohibiting the paid prioritization of broadband Internet traffic. Ms. Kronenberg was provided with copies of the comments that CCIA has filed in these dockets.

This disclosure is made pursuant to 47 C.F.R. § 1.1206.

Please do not hesitate to contact me with any questions or concerns.

Arent Fox
