Re: *Preserving the Open Internet*, GN Docket No. 09-191

Dear Ms. Dortch:

On December 14, 2010, Kyle McSlarrow, President and CEO of the National Cable & Telecommunications Association, James W. Cicconi, Senior Executive Vice President External & Legislative Affairs, AT&T Inc., and Robert W. Quinn, Senior Vice President, Federal Regulatory, AT&T Inc., discussed the above-referenced proceeding with Edward P. Lazarus, FCC Chief of Staff, and David Tannenbaum, FCC Office of General Counsel. During the discussion, the participants addressed the following topics:

- Nondiscrimination, prioritization, and reasonable network management;
- The definition of broadband Internet access;
- Prohibitions on blocking and degrading legal content; and
- Applicability of the above to wireless platforms.

The positions expressed by NCTA and AT&T during the discussion were consistent with their respective prior submissions in this docket.

If you have any questions or need additional information, please do not hesitate to contact me. Pursuant to section 1.1206 of the Commission's rules, this letter is being filed electronically with the Commission.

Sincerely,

/s/  
Jack Zinman
