Re: Notice of Ex Parte Communication, GN Docket No. 09-191 (Preserving the Open Internet), WC
Docket No. 07-52 (Broadband Industry Practices)

Dear Ms. Dortch:

On December 14th, prior to the FCC issuing its public notice announcing that the FCC had scheduled an open commission meeting to discuss the above subject, Reverend Walter B. Johnson, Jr., Co-Director of the Ministerial Alliance Against the Digital Divide, received a return phone call from Angie Kronenberg, Legal Advisor for Wireline to Commissioner Clyburn.

During their conversation Reverend Johnson reiterated the information left in his voice mail message to Ms., Kronenberg, as reported in MAADD's previous ex parte filing. Ms. Kronenberg said that she appreciated his input on the issue and that the Commission was probably going to vote on the issue next Monday or Tuesday.

Sincerely,

Reverend Dr. Walter B. Johnson, Jr.
