Re: American Cable Association (“ACA”) Notice of Ex Parte Presentation; *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licenses*; MB Docket No. 10-56.

Dear Ms. Dortch:

On December 22, 2010, the undersigned participated in a telephone conference with Michael Steffen, Office of General Counsel during which I discussed how the remedies ACA has proposed would work to ameliorate the substantial horizontal and vertical harms of the Comcast-NBCU transaction, consistent with ACA’s past filings in the docket.¹

If you have any questions, or require further information, please do not hesitate to contact me directly. Pursuant to section 1.1206 of the Commission’s rules, this letter is being filed electronically with the Commission.

Sincerely,

Ross J. Lieberman
