Re: *In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees*, MB Docket No. 10-56

Dear Ms. Dortch:

On January 4, 2011, David L. Cohen, Executive Vice President, Comcast Corporation; Rick Cotton, Executive Vice President and General Counsel, NBC Universal, Inc.; and the undersigned (collectively, "Applicants") met with Commissioner Robert McDowell and Rosemary Harold, Commissioner McDowell's Media Legal Advisor, regarding the above-captioned proceeding.

Applicants reviewed the strong support for the proposed transaction in the factual and economic record of the proceeding and the various commitments applicants have put forward, and emphasized the many public interest benefits that will result from approval of the deal. Consistent with their prior written submissions, Applicants also responded to issues raised in the proceeding regarding the distribution of online video, program access, program carriage and the Open Internet. Finally Applicants urged the Commission's prompt review and approval of the transaction.

Please contact me should you have any questions regarding this matter.

Respectfully submitted,

/s/ Kathy Zachem
