Re: *Ex Parte Notice, In the Matter of Applications of Comcast Corporation, General Electric Company and NBC Universal, Inc. for Consent to Assign Licenses or Transfer Control of Licensees, MB Docket No. 10-56*

Dear Ms. Dortch:

On January 11, 2011, Jeff Bewkes, Chairman and CEO, Time Warner Inc. ("Time Warner"), and Chairman Julius Genachowski spoke by phone in connection with their January 12 appearance on a panel at the Brookings Institution forum on "Building a Long-Term National Strategy on Growth through Innovation." During this call, they discussed nascent online video models that have been raised in the above referenced proceeding. Mr. Bewkes also reiterated the importance of such models evolving in a way that supports the creation of high quality programming.
