RE: Establishing Just and Reasonable Rates for Local Exchange Carriers, WC Docket No. 07-135, Developing a Unified Intercarrier Compensation Regime, CC Docket No. 01-92

Dear Ms. Dortch:

On Tuesday, January 11, 2011, David Erickson, Joshua Lowenthal, and the undersigned of Free Conferencing Corporation, and Megan Delany of Delany Advisory Group, LLC, and Mary Diamond Stirewalt of Mary Diamond Strategies, LLC, spoke with Brad Gillen, Wireline Advisor to Commissioner Meredith Attwell Baker, via telephone, to discuss issues related to the above-referenced dockets.

During the conversation, we discussed the ongoing harms of self-help and the need to eliminate current abuses occurring within the existing intercarrier compensation regime while preserving the pro-consumer and pro-competitive benefits of services such as free conferencing services. We also discussed the need for carriers to provide relevant and requested information for submission into the docket.

Should you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

/s/ Jeff Holoubek
