Re: *Notice of ex parte presentation - i-wireless, LLC*: WC Docket No. 09-197

Dear Ms. Dortch:

On January 13, 2011, i-wireless, LLC (“i-wireless” or the “Company”) met with staff from the Wireline Competition Bureau’s Telecommunications Access Policy Division (“TAPD”) to discuss i-wireless’ compliance plan and petition for designation as an eligible telecommunications carrier (“ETC”) to participate in the Commission’s low-income universal service program. i-wireless was represented by Pat McDonough, its Vice President, and the undersigned. TAPD staff present in the meeting were Vickie Robinson, Deputy Chief; Nicholas Degani; Joseph Cavendish; and Rebekah Bina.

During this meeting, we discussed additional information that the TAPD needs in order to further evaluate i-wireless’ compliance plan and ETC designation request. i-wireless will provide the additional information - including a detailed description of proposed rate plans, status summary of state ETC applications, and explanation of the Company’s annual verification process - in a supplemental filing.

Respectfully submitted,

/s/
