Re: *Section 63.71 Application of Kiskiminetas Communications LLC for Authority to Discontinue Prepaid Resold Domestic and International Long Distance Service*

Dear Ms. Dortch:

On behalf of Kiskiminetas Communications LLC ("Kiskitel"), and pursuant to Sections 63.19 and 63.71 of the Commission's Rules, we hereby submit an original and five copies of Kiskitel's application to discontinue its prepaid, resold domestic and international long distance service. As required under Section 63.19, a separate copy of this filing is being provided contemporaneously to the Commission's International Bureau.

If you have any questions regarding this application, please contact the undersigned.

Respectfully submitted,

Robert D. Primosch

2. Date of Planned Service Discontinuance

Kiskitel provides resold domestic and international long distance service via prepaid calling cards sold through three wholesale distributors in Kansas, Florida and Texas.³ Kiskitel plans to discontinue service on or after January 31, 2011, but no earlier than 31 days after the Commission releases public notice of this filing.

3. Points of Geographic Areas of Service Affected

As noted above, Kiskitel's prepaid calling cards are sold through wholesale distributors in Kansas, Florida and Texas, which in turn sell the cards to convenience stores. Service will be discontinued at all locations where a customer attempts to place a call with his or her Kiskitel card.

4. Description of Type of Service Affected

Pursuant to this application, Kiskitel seeks authority to discontinue its resold domestic and international long distance service as described above. Kiskitel does not provide any other service.

II. Notice to Customers

Kiskitel's distributors do not maintain lists of end-user customers, and it is otherwise impossible for Kiskitel to determine who has purchased its calling cards at the retail level. Moreover, Kiskitel's prepaid calling cards are a discretionary service that is strictly temporary in nature and thus is not "discontinued" in the traditional sense. That is, no written notification of service discontinuance is provided when a customer's prepaid calling card account is depleted,

³ The distributors are, respectively, ENT, LLC; Krush Communications; and Touch Telecom, LLC.

since the customer is aware that service is available only if there are funds in that account.⁴ Nevertheless, to ensure compliance with the notice requirements of Section 63.71(a) under these circumstances, Kiskitel sent to each of its wholesale distributors via electronic mail the attached notice dated January 3, 2011, providing the information required by Section 63.71(a)(1) – (a)(4) as well as the statement applicable to non-dominant carriers in Section 63.71(a)(5)(i) (see Attachment 1). The notice also instructed Kiskitel's wholesale distributors to post the notice at the location where they sell Kiskitel's calling cards. Finally, the notice included the following statement: "Kiskitel has recorded an automated audio message on its long-distance access code number to notify users of the discontinuance of Kiskitel's service. That message will advise users that Kiskitel is discontinuing service on January 31, 2010; that after that date, calls placed using Kiskitel's access number will no longer be completed; and that if they have any questions, they should contact our customer service department at 1-877-675-7255. Relevant information is posted online at www.kiskitel.com."

III. Notice to States and Department of Defense

In accordance with Section 63.71(a), Kiskitel has mailed a copy of this Application to the Governor's Offices and public utility commissions in Kansas, Florida and Texas, and to the Secretary of Defense.

IV. Non-Dominant Status

Kiskitel is a non-dominant carrier in the domestic and international telecommunications market.

⁴ Kiskitel's cards are not renewable. Once funds are depleted, the customer must purchase a new card if he or she wants to continue service. In addition, each Kiskitel card states that it becomes invalid after six months or one year, depending upon the type of card purchased by the customer.

WHEREFORE, Kiskiminetas Communications LLC respectfully requests that the Commission authorize the discontinuance of its resold domestic and international telecommunications service described above on or after January 31, 2011, or 31 days after the Commission releases public notice of this filing, whichever date is later.

Respectfully submitted,

Re: Notice of Discontinuance of Service

Dear Mr. Rajab:

As required by the rules of the Federal Communications Commission, we are writing to advise you that Kiskiminetas Communications LLC ("Kiskitel") will be terminating operations and thus is discontinuing its prepaid domestic and international long distance service (and the calling cards used to provide that service) on January 31, 2011, or upon regulatory approval, whichever is later. The discontinuance will apply to all areas domestically and internationally where Kiski's calling cards may be used. Also, KiskiTel hereby notifies you that it is terminating that certain Prepaid Wireless PIN Distribution Agreement signed November 23, 2009 between our companies effective January 12, 2011.

Because providing direct written notice to each user of Kiskitel's service is impossible, Kiskitel has recorded an automated audio message on its long-distance access code number to notify users of the discontinuance of Kiskitel's service. That message will advise users that Kiskitel is discontinuing service on January 31, 2011 or upon regulatory approval, whichever is later; that after that date, calls placed using Kiskitel's access number will no longer be completed; and that if they have any questions, they should contact our customer service department at 1-877-675-7255. Relevant information is posted online at www.kiskitel.com.

Please post this letter where you have distributed our cards, and should you be contacted directly by any user with regard to Kiskitel's discontinuance of service, please advise him or her as follows:

"The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of Kiskiminetas Communications LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service."

Please contact us if you have any questions.

Very truly yours,

Dear Mr. Hau:

As required by the rules of the Federal Communications Commission, we are writing to advise you that Kiskiminetas Communications LLC ("Kiskitel") will be terminating operations and thus is discontinuing its prepaid domestic and international long distance service (and the calling cards used to provide that service) on January 31, 2011, or upon regulatory approval, whichever is later. The discontinuance will apply to all areas domestically and internationally where Kiski's calling cards may be used. Also, KiskiTel hereby notifies you that it is terminating that certain Prepaid Wireless PIN Distribution Agreement dated January 26, 2010 between our companies effective January 12, 2011 pursuant to Section 4 of that Agreement.

Because providing direct written notice to each user of Kiskitel's service is impossible, Kiskitel has recorded an automated audio message on its long-distance access code number to notify users of the discontinuance of Kiskitel's service. That message will advise users that Kiskitel is discontinuing service on January 31, 2011 or upon regulatory approval, whichever is later; that after that date, calls placed using Kiskitel's access number will no longer be completed; and that if they have any questions, they should contact our customer service department at 1-877-675-7255.
