Re: *In the Matter of Development of a National Broadband Plan for Our Future, GN*
Docket No. 09-51

Dear Ms. Dortch:

On February 2, 2011, Thomas J. Donohue, President and CEO, and William L. Kovacs, Senior Vice President for Environment, Technology, and Regulatory Affairs, U.S. Chamber of Commerce met with Chairman Julius Genachowski, Chairman Genachowski's Chief of Staff Edward Lazarus, and Chairman Genachowski's Senior Counselor Josh Gottheimer. The Chamber noted that it agrees with the Commission about the importance of spurring the build out of broadband infrastructure across the United States. The Chamber also indicated its willingness to explore how to make additional spectrum available and reform the Universal Service Fund.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely,

William L. Kovacs
