Re: Consumer Information and Disclosure Public Notice CG Docket No. 09-158, CC Docket No. 98-170,
WC Docket No. 04-36

Dear Ms. Dortch:

On January 26, 2011, Alex Salter and Sam Crawford of SamKnows, met with Zachary Katz, Legal Advisor to the Chairman on Wireline Communications, International and Internet Issues; and Walter Johnston and James Miller of the Office of Engineering and Technology.

Topics discussed related to the Commission's trial for testing and measurement of fixed broadband performance.¹ Schedules and milestones of the program were the focus of the meeting, as the selection process for trial participants nears completion and data collection begins. Plans for the reporting of data at the completion of the trial and possible follow on efforts were also discussed.

Sincerely,

James Miller, Senior Attorney Advisor
Electromagnetic Compatibility Division/OET
