***Re: In the Matter of Special Access for Price Cap Local Exchange Carriers, WC Docket No. 05-25; AT&T Petition for Rulemaking to Reform Regulation of Incumbent Local Exchange Carrier Rates for Interstate Special Access Services, RM-10593***

Dear Mr. Davis:

This letter responds to your February 10, 2011 request that TDS Telecom, LLC provide Sprint Nextel with access to all confidential and highly confidential documents that have been filed in the above referenced proceedings, including information filed in response to the Commission’s Public Notice released on October 28, 2010 (“Public Notice”).

Please note that on January 27, 2011 we made a filing on behalf of TDS Metrocom, LLC (“TDS”), in the above referenced proceedings. Subsequent to the receipt of your February 10 letter, we noticed that the FCC’s Electronic Comment Filing System (“ECFS”) incorrectly listed our January 27 Confidential submission as filed by TDS Telecom. We contacted the Secretary’s office and confirmed that the filer name had been listed incorrectly, and the submission in ECFS now correctly reflects the filer as TDS Metrocom, LLC.

Therefore, there are no such documents to be provided in response to your February 10, 2011 letter.

Please do not hesitate to contact me at (202) 373-6553 with questions.

Sincerely yours,

*/s/ electronically signed*

Eric J. Branfman
