RE: FY 2010 (FY13) Consortium Review – BEN 150217
RESPONSE DUE: November 8, 2010

It is important that we receive all of the information requested within **seven (7)** calendar days from the date of this document so that USAC may complete the review of your funding request(s). USAC encourages you to provide full and complete responses. A non-response to any of the specific requests made here will be taken to mean that you had no information to provide on the question. A partial answer, such as submitting some LOAs but not others, will be viewed as being all of the information that you have. When your response is received, USAC will complete the review based on the information on hand. USAC urges you to carefully review your response before returning it to ensure that you have provided complete responses to all questions. Finally, note that USAC is unable to grant multiple or lengthy extensions to respond to this request for information or seek information not previously provided.

Dear Karen,

The Consortium Team is in the process of reviewing all Form 471 Applications for schools and libraries discounts to ensure that they are in compliance with the rules of the federal universal service program. We are currently in the process of reviewing your Funding Year 2010 Form 471 Application(s) 752417 & 756191. To complete our review, we need some additional information. The information needed to complete the review is listed below.

The LOAs provided did not request TELCOM service and program rule prevent me from using the follow up letters to correct this oversight on your part. However; with your approval of some modifications to your form 471 we might be able to process some of the FRNs.

Your response dated 5/14/2010 contained a contract for WAN A and WAN B service. Both contracts stated they were for Internet Access. Using this information I might be able to process FRNs as follows:

I.

FRN 2046646: The WAN A contract is entity specific for the following entities:

ENTITY #	ENTITY NAME	NOTE
140642	AVERY INDEP SCHOOL DISTRICT	
86446	BLOSSOM ES

86640	NEW BOSTON HS	
140621	NORTH HOPKINS INDEP SCH DIST	Form 471 Worksheet C lists NORTH HOPKINS ISD (NORTH HOPKINS ES & NORTH HOPKINS HS) while the WAN A only specifies NORTH HOPKINS SCH, please explain.

I propose we create a new worksheet C containing just the above entities and modify the form 471 Block 4 Entity Number to this new worksheet and change the service requested from Telecommunication to Internet Access.

The shared discount for this new worksheet would be 73%.

Do I have your permission to make this change? YES ___ NO ___

Without a response concerning the BOWIE COUNTY TRANS and BOWIE COUNTY SPECIAL ED I would only be able to add the SIMMS ISD which lists the entities JAMES BOWIE ES, JAMES BOWIE HS and JAMES BOWIE MS.

III.

There are a number of School Districts requesting both LAN A and LAN B service (see the JEFFERSON ISD as an example); please explain

It is important that we receive all of the information requested so we can complete our review. **Failure to do so may result in a reduction or denial of funding.** If you need additional time to prepare your response, please let me know as soon as possible.

Should you wish to cancel your Form 471 application(s), or any of your individual funding requests, please clearly indicate in your response that it is your intention to cancel an application or funding request(s). Include in any cancellation request the Form 471 application number(s) and/or funding request number(s), and the complete name, title and signature of the authorized individual.
