Re: *Special Access Rates for Price Cap Local Exchange Carriers; AT&T Corp. Petition for Rulemaking to Reform Regulation of Incumbent Local Exchange Carrier Rates for Interstate Special Access Services – WC Docket No. 05-25; RM-10593*

Dear Ms. Dortch:

By this letter, Comcast Business Communications, LLC (“Comcast”), pursuant to the Second Protective Order in the above-referenced proceeding,¹ re-submits two redacted copies of its response to Question III.D of the Public Notice released by the Federal Communications Commission (“FCC”) requesting the voluntary submission of data related to special access.²

This submission replaces the response to Question III.D that Comcast filed on January 27, 2011. The only change from the original filing is that portions of the public version of Comcast’s response are now unredacted, and the document has been revised to indicate where highly confidential material remains redacted. The redacted portions of Comcast’s response are highly confidential as described in paragraph 6 of the Second Protective Order. Pursuant to the Second Protective Order, the unredacted version of this filing is being submitted to the Secretary’s Office under seal, and two unredacted copies are also being hand delivered to Marvin Sacks, Pricing Policy Division, Wireline Competition Bureau, FCC.
