

The takeover of comcast of a local free nbc station which is needed for whenever something happens the public needs to know. I am in the Sierras and weither it bbe local breaking news i need informed o0r weather that i have to be ready for. I am disabled and on oxigen so i need to keep posted on things like power outitages snow or any thing that i have to ready my self for. I dont drive and i am a long way from a bus. i need to know that public access information on my NBC stationagain i am not located and eccesable to just get any station.Ima surrounded by trees and reception very hard to get!!!!. I cant use comcast there equipment broke my 2 tvs and i realy like so many ssi people need at least one free tv station eccessable to kkeep us safe and informedfor what comes up.I beleive public safety and health issues as i am in and area which has some bad winds at times and fires too. i cant get dish as they have only one satalite and the trees are in the way help us please.Help keep the one station we get available to the needs of the rural disABLED OK. DOESNT COMCAST OWE THE PUBLIC A RIGHT TO BE SAFE.SOMETHINGS WE ASA A CITIZEN SHOULD BE FIRST OVER COMMERCE. sOMETHINGS ARE NECCICARY FOR THE LIVES OF MANY SSI RURAL SINIOR SISABED PEOPLE.WE ARENOT GOING TO ALWAYS HAVE ACCESS TO PAY TV SOME HAS TO REMAIN FREE FOR PUBLIC SAFTY CONCERNS AND NBC HAS ALWAYS PROVIDED THAT
