Name of Company: TRC Telecom, Inc.

Form 499 Filer ID: 820186

Name of signatory: Curtis H. Hunt

Title of signatory: President

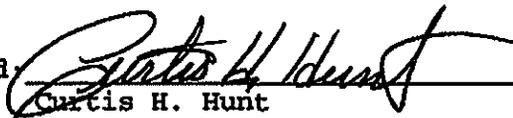

I, Curtis H. Hunt, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company is aware of operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. § 64.2001 et seq. However, since TRC Telecom, Inc. is a wholesale provider of switching and transport services to other carriers and has no CPNI data it does not believe that it is subject to CPNI.

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 et seq. of the Commission's rules (See attached Statement of Compliance).

The company has not taken any actions (i.e., proceedings instituted or petitions filed by the company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. The company does not have any information that pretexters have attempted to gain access to CPNI.

The company has not received any customer complaints in the past year concerning the unauthorized release of CPNI. Further, there has been no unauthorized access, disclosure to unauthorized individuals or instances of improper access to online information by individuals not authorized to view CPNI during the past year.
