**Re: WT Docket No. 06-150
Ex Parte Notice**

Dear Ms. Dortch:

On March 7, 2011, Steven K. Berry, President & CEO of the Rural Cellular Association (RCA), Tim Donovan, Vice President, Legislative Affairs for RCA, and I met with Roger Noel, Richard Arsenault, Denise Walter, Thomas Derenge, Lloyd Coward, Peter Trachtenberg, and Won Kim to discuss the FCC's June 2011 700 MHz CMA and EA reporting requirements and the June 2013 700 MHz CMA and EA construction requirements. In the meeting, RCA and the FCC discussed reporting requirement specifics, possible report format and filing procedures, and how best to protect confidential and proprietary information included in the reports. The FCC is encouraging 700 MHz licensees to file reports that include honest and accurate information about the successes and challenges they are experiencing in attempting to meet the FCC's construction requirements.

This *ex parte* notification is being filed electronically with your office pursuant to Section 1.1206 of the Commission's Rules.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rebecca", written in a cursive style.
