Dear Ms. Dortch:

On March 16, 2011, Mark Dankberg, Chairman and CEO of ViaSat, Inc.; Thomas Moore, CEO of WildBlue Communications, Inc. (a wholly-owned ViaSat subsidiary); Lisa Scalpone, Vice President and General Counsel of WildBlue Communications, Inc., and the undersigned as outside counsel, met with Paul de Sa of the Office of Strategic Planning and Policy Analysis to discuss issues presented by these proceedings.

The discussions focused upon the positions of record of ViaSat and WildBlue, including the significant role that satellite broadband can have in meeting the needs of the unserved, reducing the overall size of the CAF, and generally providing a positive competitive influence in the broadband industry throughout the nation.

Please contact me with any questions.

Respectfully submitted,
