Meeting Summary: The Chair welcomed everyone to the meeting of IWG-1, and participants introduced themselves. The agenda (Document IWG-1/61) was approved. The Chair volunteered to draft the minutes of this meeting. The minutes of the last IWG-1 meeting (Document IWG-1/58) were approved without comment.

The group then considered contributions under the various WRC agenda items as follows:

Agenda Item 1.3 – (*UAS*) – No new contributions.

Agenda Item 1.4 – (*AM(R)S*) – No new contributions.

Agenda Item 1.9 – (*Appendix 17*) – No new contributions.

Agenda Item 1.10 – (*Ship and Port Safety*) – No new contributions.

Agenda Item 1.12 – (*37-38 GHz Band*) – No new contributions.

Agenda Item 1.14 – (*30-300 MHz Radiolocation*) – No new contributions.

Agenda Item 1.15 – (*3-50 MHz Radiolocation*) – No new contributions.

Agenda Item 1.21 – (*15 GHz Radiolocation*) – IWG-1 considered Document IWG-1/62 under this agenda item. The proposal in the document was developed in conjunction with an IWG-3 proposal on agenda item 1.25 also addressing the 15.4-15.7 GHz frequency band. The authors clarified that the two proposals were considered a package and therefore both needed to go forward together. Participants provided the authors with several comments on the proposal. It was agreed that the proposal would be circulated with discussed changes and approved by correspondence.

Agenda Item 8.2 – (*Future Agenda Items*) – No new contributions.

¹ Asterisk denotes government employees and government contractors.
