Re: *Implementation of Section 224 of the Act, WC Docket No. 07-245; A National
Broadband Plan for Our Future, GN Docket No. 09-51*

Dear Ms. Dortch:

This is to inform you that on March 24, 2011, Glenn Reynolds on behalf of USTelecom spoke by phone with Angela Kronenberg, Legal Advisor to Commissioner Clyburn, concerning the proceedings identified above. In particular, USTelecom urged the Commission to satisfy its statutory obligation to ensure just and reasonable rates, terms and conditions for incumbent telephone company attachments to poles owned by electric utilities in a way that provides clear guidance that they are entitled to parity treatment with the broadband attachments of CLECs and cable companies.

Sincerely,

A handwritten signature in black ink that reads "Glenn Reynolds".

Glenn Reynolds
