While there are public, physical demonstration like the opposite photo (from Ireland), the INTERNET is the primary communication with hundreds of community blogs and other net efforts on education and awareness.

Dear Mr. President,

We call on you to be an advocate for net neutrality; make sure the FCC takes action to protect a free and open Internet.

This month Julius Genachowski announced plans to issue weak, industry-friendly Internet regulations. **Don't allow the FCC Chairman to cave to the narrow corporate interests of the telecommunications giants.** Broadband providers cannot be allowed to use paid prioritization schemes to give favored network access to some sites or services over others. Consumers must be allowed to access any legal website, service or application on any device. The FCC needs to stand up for the public by issuing rules that prevent industry loopholes.

Mr. President, you were the first national candidate to successfully employ the power of the web. You continue to use it to communicate with your constituents. In a new media environment (and in an exceedingly partisan political one) it becomes more and more essential that the Internet is not limited to or by the powerful. You know that better than anyone.

Sincerely,

Cc: Michael Copps, Mignon Clyburn

Dear Commrissioners,

As a concerned citizen, I am signing this petition opposing the so-called "Net Neutrality" regulations being considered by the Federal Communications Commission, or similar legislation in Congress or the states. Net Neutrality imposes government control on the free market of the Internet and is yet another statist power grab.

The FCC does not have the authority to force such sweeping regulations on the free market. I strongly oppose this effort and urge the FCC to: a) keep government control out of the Internet, and, b) leave the legislating to Congress.

I am in favor of supporting all the items below:

- | | |
|---|--|
| <input checked="" type="checkbox"/> Expose liberal media bias | <input checked="" type="checkbox"/> Keep the Pledge of Allegiance |
| <input checked="" type="checkbox"/> Stop NAFTA, North Am. Union | <input checked="" type="checkbox"/> Defend traditional marriage |
| <input checked="" type="checkbox"/> Defend rights of the unborn | <input checked="" type="checkbox"/> Uphold broadcast decency standards |
| <input checked="" type="checkbox"/> Oppose government waste, earmarks | <input checked="" type="checkbox"/> Expose and defeat the ACLU |
