 USAC Form 471 App #: 771364
 USAC Funding Request #: 2094564

We filed a waiver request with USAC on 12/10/10 and was unsuccessful. USAC letter indicated FCC rules do not permit USAC to consider request for waivers, so this is a request for review of the USAC decision under funding year 2010-2011.

Please consider a waiver for filing deadline of the USAC Form 471 for funding year 2010-2011. We applied for E-RATE initially under funding year 2009-2010 with a service contract for multiple years. Our E-RATE application for funding year 2009-2010 was successful; however, program rules were unclear to us for succeeding years on multi-year service agreements. We sought USAC guidance and were advised to file Form 486 for funding year 2010-2011. As a result, we missed the deadline for Form 471 filing deadline for funding year 2010-2011.
