Re: ET Docket Nos. 04-186, 02-380
TV Translator K30BQ

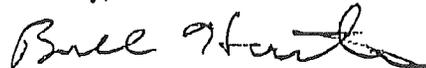

Dear Ms. Dortch:

Needles Community TV Club, Inc. ("Needles") hereby submits this information in connection with protection of its above-referenced station as against TV White Space devices.

In particular, Station K30BQ (Facility ID No. 48024) receives its input from TV translator K50CY. K30BQ is within 80 km of the protected contour of K50CY.

Under the circumstances, therefore, Needles submits that K30BQ is fully entitled to protection under the terms of the Second Memorandum Opinion & Order (FCC-174), released September 23, 2010.

Sincerely,

Bill Hartwick
President
