Re: Special Access Rates for Price Cap Local Exchange Carriers, WC Docket No. 05-25

Dear Ms. Dortch:

On April 4, 2011, I spoke via telephone with Nicholas Alexander, of the Wireline Competition Bureau, on the topic of special access. We discussed the importance of moving ahead with special access reform and the second voluntary data request PN. Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information please contact the undersigned.

Sincerely yours,
