Appeal: Funding Year 2010 Form 471 Postmarked Outside of Window
BEN: 130656
Application Number: 789581

I am writing to appeal the decision of the "Postmarked Outside of Window" letter that the Spencer Owen Community School system received. Up until the Funding Year, 2005-2006, we received the USAC discounts. New administration was unaware of the discounts available through USAC and was only recently informed of the process. The person that handled the E-Rate applications in prior years within the school system is no longer with the school system and did not train anyone or inform anyone of the process. In 2009, someone began the process but it appears that the 471 was never completed as it has an "incomplete" status.

We are requesting that Spencer Owen Schools be granted a waiver for the out of window filing USAC decision for last year.
