Dear National Brands, Inc. d/b/a Sharenet Communications Customer:

We are writing to share with you an exciting announcement regarding your telecommunications services. National Brands, Inc d/b/a Sharenet Communications Company ("Sharenet") and Integra Telecom Holdings, Inc., through its Arizona subsidiary, Eschelon Telecom of Arizona, Inc. (together "Integra" or "Integra Telecom") have recently signed a definitive agreement whereby Integra will become your local telecommunications service provider.

Integra is an integrated communications provider of voice, data, Internet services serving thousands of businesses in the State of Arizona for almost 15 years. Integra is one of the fastest growing telecommunications companies in the nation and is an industry leader in customer satisfaction and retention. Integra offers a wide range of expertise and resources, and the most complete line on innovative, high-quality, cost-effective services available on the market today.

Following completion of the transaction, the service you currently receive from Sharenet will be transferred to Integra. An experienced Integra Customer Care representative will be in touch with you prior to conversion. This change in providers will not disrupt your current service. **You will continue to receive the same services at the same rates, terms and conditions as you do under your Sharenet contract** and your telephone numbers will not change as a result of the transfer. Should there be any need for a change to your current rates, terms and conditions Integra will provide a minimum 30-day advance written notice through a bill message. You will not be charged any fees in connection with this transfer.

Integra is dedicated to providing you with high quality service in order to keep your business. We anticipate the transfer of your services to Integra to be seamless to you. We believe that this transition will prove beneficial to your company and will make available to you additional support and products. You have the right to select another provider, subject to the terms and conditions of your current Sharenet contract, including any early termination charges that may apply. Assuming you do not transfer your service to another carrier prior to the transfer date, Integra will become your service provider. If you have a preferred carrier freeze ("PIC freeze") on your account, the PIC freeze will be lifted and your services transferred to Integra. At your request, Integra can reestablish a PIC freeze for you after the transfer.

#### **What are the next steps?**

**You don't have to do a thing to continue receiving service!** An Integra Customer Care representative will be in touch with you prior to moving your service over to Integra and will explain to you any changes on billing statement design, remittance addresses and customer contact information. As stated, there will be no change to your rates and conditions of service as a result of the transfer. We are confident that you will be completely satisfied with Integra and its high level of customer service and support.

Integra looks forward to meeting your communications needs. We will do everything to help ensure that this transition is a smooth one. If you have any questions or concerns regarding the information provided in this letter, please feel free to contact an Integra Care representative at 602-515-0200.

Thank you,

**Sharenet Communications**
