Re: Notice of *Ex Parte* Presentation; Consolidated Application for Authority to Transfer Control of XM Satellite Radio Holdings Inc. and Sirius Satellite Radio Inc., MB Docket No. 07-57

Dear Ms. Dortch:

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, this letter notifies the Commission that on April 26, 2011, I spoke with Sherrese Smith, Legal Advisor for Media, Consumer and Enforcement Issues in Chairman Genachowski's Office. During this conversation, we reviewed the comments and reply comments filed in the Sirius XM rate proceeding. Specifically, we discussed Sirius XM's position that the record does not support a continued rate freeze and, as such, the FCC should act quickly with regard to the Public Notice issued by the Media Bureau on this issue in a way that would allow the existing rate freeze to expire by its own terms. We also discussed Sirius XM's position that the order should resolve the issues raised in the FCC's Public Notice in this proceeding.

Respectfully,

/s/ Robert L. Pettit
