WC Docket No. 03-109

---

Dear Ms. Dortch:

On April 27, 2011, Mark Dankberg, Chairman and CEO of ViaSat, Inc.; Thomas E. Moore, Senior Vice President of ViaSat, Inc. and President of WildBlue Communications, Inc. (a wholly-owned ViaSat subsidiary); Erwin Hudson, Chief Technology Officer of WildBlue Communications, Inc.; Lisa Scalpone, General Counsel of WildBlue Communications, Inc., and the undersigned as outside counsel, met with the following individuals: Amy Bender, Rebekah Goodheart, Sharon Gillett, Patrick Halley, Zachary Katz, Carol Matthey, Tom Peters, Michael Steffen, Steven Rosenberg, Mark Wigfield, and Margaret Wiener.

The discussions focused upon the positions of record of ViaSat and WildBlue, including the significant role that satellite broadband can have in meeting the needs of the unserved, reducing the overall size of the CAF, and generally providing a positive competitive influence in the broadband industry throughout the nation. We also provided an overview of the April 18, 2011 comments of ViaSat and WildBlue in the CAF NPRM.

Please contact me with any questions.

Respectfully submitted,

/s/ John P. Janka
