Re: Ex Parte Filing in WC Dockets 11-42, 03-109 and CC Docket 96-45

Dear Ms. Dortch,

Yesterday, the undersigned met with the following people to discuss the pending notice of proposed rulemaking (“NPRM”) in the above-captioned dockets: Steve Fenker, Nexus Communications, Inc., former FCC Commissioner Deborah Taylor-Tate, Commissioner McDowell, Christine D. Kurth, Commissioner Clyburn, Dave Grimaldi, and Angela Kronenberg. The purpose of this meeting was to discuss how the many of the rule changes in the NPRM would either unduly restrict the Low Income program during a time of historic economic downturn, or they are based on insufficient data and a lack of understanding of the challenges faced by the low income population.

I am enclosing materials provided to the Commissioners and their staff during this meeting.

Respectfully submitted,

Danielle Frappier
