Re: Wireless E911 Location Accuracy Requirements – Docket 07-114, WC Docket 05-196; Framework for Next Generation 911 Deployment - PS Docket No. 10-255

Dear Ms. Dortch:

On April 26, 2011 Michael Goggin, and I, on behalf of AT&T Services, Inc., met with David Furth, Patrick Donovan, Thomas Beers, Henning Schulzrinne, David Siehl, Aaron Garza, and (via telephone) Erika Olsen from the Public Safety and Homeland Security Bureau and Stan Scheiner from the Office of Inspector General. Yesterday I spoke with Patrick Donovan by telephone to inform him that a document AT&T shared with the staff during the April 26 meeting included an inadvertent error. AT&T therefore is filing a corrected version of the document along with this letter..

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced docket. If you require any additional information, please feel free to contact me.

Sincerely,

/s/ Joseph P. Marx
Assistant Vice President, AT&T Services Inc.
