CC Docket No. 02-33

May 9, 2011

Lost Nation-Elwood Telephone Company hereby provides notice that it intends to cease offering wireline broadband internet access service on a tariffed basis. Effective July 1, 2011 Lost Nation-Elwood Telephone Company will begin offering wireline broadband internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order.¹ The geographic areas affected are those Lost Nation-Elwood Telephone Company exchanges where DSL is technically feasible.

Today, this service is provided to Lost Nation-Elwood Telephone Company. The ISP purchases wireline broadband access service for use as a component in their broadband internet service sold to residential and business consumers. End user service provided will not be affected by discontinuance of the tariffed offering by Lost Nation-Elwood Telephone Company. As stated in the attached customer notice, Lost Nation-Elwood Telephone Company will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement. Broadband Commercial Agreements will be made available in a nondiscriminatory manner to any provider desiring to purchase wireline broadband access service for use as a component in its broadband internet service sold to consumers.

Effective July 1, 2011, Lost Nation-Elwood Telephone Company will make its wireline broadband internet access service on a permissive detariffed, common carriage basis through posting of rates, terms and conditions available on our company website (www.lnetelco.com) and in printed copy during normal business hours at Lost Nation-Elwood Telephone Company business office located at 304 Long Avenue, Lost Nation, IA 52254.
