Federal Communications Commission
Office of the Secretary

Dear Ms. Baghdadi,

We would like to request one week extension to submit DOI comment by May 13, 2011, on the FCC proposed rule on the Wireless Telecommunications Bureau Invite Comments on Draft Environmental Notice Requirements and Interim Procedures Affecting the Antenna Structure Registration Program. The reason for extension is to make sure that the comments from various bureaus submitted to the Headquarters Office are consistent and unified before they are transmitted to FCC. Thank you for your consideration.

If you have any questions please contact Lisa Treichel at 202-208-7116. Thank you.

Regards,

Shawn
