CC Docket No. 02-33

May 18, 2011

Eckles Telephone Company dba BEVCOMM hereby provides notice that it intends to cease offering wireline broadband internet access service on a tariffed basis. Effective July 1, 2011 Eckles Telephone Company dba BEVCOMM will begin offering wireline broadband internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order.¹ The geographic areas affected are those Eckles Telephone Company dba BEVCOMM exchanges where DSL is technically feasible.

Today, this service is provided to Eckles Telephone Company dba BEVCOMM. The ISP purchases wireline broadband access service for use as a component in their broadband internet service sold to residential and business consumers. End user service provided will not be affected by discontinuance of the tariffed offering by Eckles Telephone Company dba BEVCOMM. As stated in the attached customer notice, Eckles Telephone Company dba BEVCOMM will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement. Broadband Commercial Agreements will be made available in a nondiscriminatory manner to any provider desiring to purchase wireline broadband access service for use as a component in its broadband internet service sold to consumers.

Effective July 1, 2011, Eckles Telephone Company dba BEVCOMM will make its wireline broadband internet access service on a permissive detariffed, common carriage basis through posting of rates, terms and conditions available on our company website (www.bevcomm.net) and in printed copy during normal business hours at Eckles Telephone Company dba BEVCOMM

¹ See *Appropriate Framework for Broadband Access to the Internet Over Wireline Facilities, Universal Service Obligations of Broadband Providers*, CC Docket No. 02-33, WC Docket No. 05-271, Report and Order and Notice of Proposed Rulemaking, 20 FCC Red 14853 (2005). Re: CC Docket 02-33 - Notice of Permissive Detariffing of Wireline Broadband Internet Access Service by Eckles Telephone Company dba BEVCOMM (Study Area 361386)

Dear Valued Customer:

Our records indicate that Eckles Telephone Company dba BEVCOMM is currently purchasing wholesale broadband transport services from Eckles Telephone Company dba BEVCOMM under NECA Tariff No. 5 ("Tariff"). This letter is to advise you that Eckles Telephone Company dba BEVCOMM, study area 361386 will discontinue provisioning service on July 1, 2011 pursuant to the Tariff. Services will be made available to you on a common carrier, non-tariffed basis. The existing relevant rates, terms and conditions will not change until the end of your term or until replaced by a Broadband Commercial Agreement.

The rates, terms and conditions for the Broadband Commercial Agreement will be available in printed copy during normal business hours at Eckles Telephone Company dba BEVCOMM business office located at 123 W 7th St. Blue Earth, MN 56013

The actions described above are taken in accordance with the FCC's Report and Order (FCC 05-150) released September 23, 2005 in Docket No. 02-33. In this order the FCC determined that facilities-based wireline broadband internet service providers could offer their services on a common carrier, permissively detariffed basis.

No action is necessary on your part. However, if you have any questions, please feel free to contact me.

Sincerely,

William Eckles
President
