Re: Ex Parte, Docket Nos. 10-235, 09-182 and 10-71

Dear Ms. Dortch:

On May 17, 2011, Vincent Sadusky, CEO, and Rebecca Duke, Vice President of Distribution, both of LIN Television Corporation, and I met with Commissioner Robert McDowell and Legal Advisor Rosemary Harold. With respect to Docket 10-235, we discussed the prospects for passage of incentive auction legislation this year. We expressed the view that the current version of the FCC's incentive auction proposal creates risks for broadcasters that do not wish to participate, but does not include any positive incentives to draw their support.

We also asked about the potential timing of the FCC's pending media ownership review in Docket 09-182. We thanked Commissioner McDowell for the positions he had taken publicly supporting market-based retransmission consent negotiations.

Please contact me if you have any questions.

Sincerely yours,

/s/

John K. Hane
