Notice of Permissive Detariffing of Wireline Broadband Internet Access Service
Effective July 1, 2011
CC Docket No. 02-33
May 19, 2011

Citizens Telephone Company of Kecksburg (“Company”) hereby provides notice that it plans to terminate provision of wireline broadband Internet access service (WBIAS) on a tariff basis effective July 1, 2011 at which time it plans to offer permissive detariffed WBIAS on a Title II common-carriage basis pursuant to paragraph 94 of the Federal Communications Commission’s *Wireline Broadband Order*. The Company currently offers WBIAS through Asymmetric Digital Subscriber Line (“ADSL”) Access Service under ICORE’s Tariff F.C.C No. 2.

In order to effect the permissive detariffing, ICORE will make a tariff filing with the Federal Communications Commission on June 16, 2011 on 15 days notice to exclude the Company from its ICORE Tariff Number Two ADSL Access Services (hereinafter “WBIAS”) under the tariff effective July 1, 2011.

Impact on Customers

The only customer for the Company’s WBIAS is the Company’s affiliate nonregulated Internet Service Provider (“ISP”) operation. The affiliate purchases WBIAS for use as a component in its broadband Internet service sold to consumers and business customers. The discontinuance of the tariff offering of WBIAS will have no effect on the end user service provided by the affiliate.

Serving Area

The Company’s provision of WBIAS is limited to its ILEC serving area in southwest Pennsylvania, Citizens Telephone Company of Kecksburg exchange. Its Study Area Code is 170156.

Future Availability of WBIAS on a Permissive-Detariffed Common Carriage Basis

The Company will continue to make WBIAS available on a common-carriage basis. Rates, terms and conditions of service will be available at the Company’s business office located at Mammoth, PA 15664 and by telephone at (724) 423-4444. The Company will also display the appropriate information on their website at wpa.net. As required by the Federal Communications Commission (“FCC”), the Company will continue to make available to its existing customer rates, terms and conditions consistent with the current tariffed rates on a grandfathered basis pursuant to the aforementioned Federal Commission’s *Wireline Broadband Order*.
